

# Partners Group Listed Investments SICAV - Listed Private Equity - EUR (P - Acc.)

Monthly report as of 30 September 2019

## Fund objectives

The Partners Group Listed Investments SICAV – Listed Private Equity fund provides efficient access to the asset class private equity overcoming the normally associated hurdle of illiquidity. The Fund invests in companies which mainly focus on private equity investments and are listed on major stock exchanges. Out of an investment universe of over 200 companies worldwide, the Fund actively screens a target list of around 140 companies, which fit the minimum criteria. Partners Group has been a signatory since 2008 of the United Nations Principles for Responsible Investment and the Fund follows an SRI approach, evaluating each investment opportunity in terms of environmental, social and governance standards.

## Monthly comment

In September, global equity markets performed strongly, driven by the US Fed and the European Central Bank. In this strong market environment, Partners Group Listed Investments – Listed Private Equity outperformed significantly. All segments contributed positively with alternative asset managers again being the strongest sector.

The best performer was the new position in EQT Partners, which listed at the end of September. The Swedish asset manager focuses on direct investments in private equity, private infrastructure, private real estate, as well as private credit with assets under management of approximately EUR 40bn. After the successful and strongly oversubscribed IPO, the share price rose 30% on the first trading day.

Furthermore, Brookfield Business Partners, a direct investment company focusing on business services and industrial companies, benefitted from positive news about two large portfolio companies. It recently invested in the listed residential mortgage insurer Genworth MI Canada, which declared a special dividend. In addition, Électricité de France announced to cooperate with Westinghouse.

Another strong performer was the British private equity company Hg Capital Trust, which reported strong interim results. NAV and the interim dividend increased by 14% and 12.5%, respectively during the first half of the year. The portfolio companies continued to significantly increase revenues and EBITDA compared to the previous year. For example, revenue of the top 20 holdings increased by 26% on average.
