Out of an investment universe of over 200 companies world wide, the Fund actively screens a target list of around 100 companies, which fit the minimum criteria.

## Monthly comment

In October, Partners Group Listed Investments SICAV – Listed Private Equity showed a positive development. In the reporting period, all segments contributed positively to the increase in value, in particular fund of funds convinced with their published NAVs.

ICG Enterprise Trust (ICG), a British fund of funds, achieved the largest value gain. The company published favorable half-year results with a NAV growth of 8.7% in the reporting period. The fund of funds benefited mostly from the operating performance of its portfolio companies as well as from successful realizations. During the reporting period, ICG achieved an investment cost multiple of 3.1x for the 28 exits and increased the aggregated carrying value of the realized companies by 36%. In addition, the 30 largest portfolio companies generated an EBITDA growth of 15% over the last 12 months.

Contrary to the strong performance this year, the alternative asset manager Carlyle Group recorded a negative development in October. The co-founders and co-CEO's David Rubenstein and William Conway announced that they will step back as co-chief executives by the end of year and will serve as co-executive chairmen in the future.

As already stated in previous months, the Californian investment management firm Oaktree Capital has taken over the investment management contract of Fifth Street Finance. Going forward, the new company will trade under the name Oaktree Specialty Lending Crop. The attractive valuation and change of the investment manager were well received by the market and led to an increase in value.
